

Frasers Property collects five major industry awards

More accolades for the world's most sustainable shopping centre

- ◆ Burwood Brickworks shopping centre named **Australian Development of the Year**
- ◆ Shopping centre collects **four major honours at the Property Council of Australia's 2021 Innovation & Excellence Awards**
- ◆ Fairwater receives **Award for Best Master Planned Community**

AUSTRALIA, 20 DECEMBER 2021

The world's most sustainable shopping centre has been named Australia's best development too.

Burwood Brickworks shopping centre picked up a string of awards at this week's Property Council of Australia's 2021 Innovation & Excellence Awards, including the top honour of the night, the **Australian Development of the Year** award.

On a night Burwood Brickworks dominated proceedings, Frasers Property Australia's game-changing development also took out the **People's Choice Award**, as voted by the industry and general public, the **Award for Best Sustainable Development – New Buildings** and the **Award for Best Shopping Centre Development**.

"We set out to create a shopping centre which elevates the sustainable possibilities of new developments and contributes to the regenerative buildings movement, and we're proud that Burwood Brickworks has been recognised by the industry as the standout among the many high-quality projects this year," says **Mark Gleeson**, Executive General Manager Investments, Frasers Property Australia.

On a highly successful night for Frasers Property, the company's Fairwater community won the **Award for Best Masterplanned Community**.

"Fairwater is a living example of how our community development and place-making focus creates belonging in communities that flourish over the long-term. The sense of community is strong among the residents of Fairwater, making it a special place to live," says **Cameron Leggatt**, Executive General Manager Development, Frasers Property Australia.

In April this year, the International Living Future Institute, the global authority which administers the Living Building Challenge® (LBC®), announced Burwood Brickworks had formally achieved Living Building Challenge® Petal Certification.

The LBC® is the most advanced measure of sustainability in the built environment and the announcement confirmed Burwood Brickworks is the world's most sustainable shopping centre. No other retail development globally has achieved Petal Certification.

The latest major industry honours add to the growing list of accolades for Burwood Brickworks shopping centre, which includes the **Built Environment award** at the 2021 **Premier's Sustainability Awards**, and the **Excellence in Sustainability and Development of the Year – Retail** awards at **The Urban Developer Awards**.

At the **Sustainable Building Awards 2020**, Burwood Brickworks shopping centre won the **Commercial Architecture (Large) Award** for its design, along with NH Architecture and Russell & George, and the **Best of the Best Award**, the major award on the night.

Also at the Sustainable Building Awards 2020, *acre* Farm & Eatery, the first shopping centre rooftop urban farm and restaurant in Australia at Burwood Brickworks, won the **Commercial Architecture (Small) Award**, collected by NH Architecture and ZWEI Interiors Architecture.

Additionally, Indigenous design studio Balarinji won the **Architectural Design Urban Design and Public Spaces** category at the **Good Design Awards** for its innovative work, along with Wurundjeri-willam artist Mandy Nicholson, on the ceiling mural and outer facade artwork at Burwood Brickworks.

About Frasers Property Australia

Since 1924, Frasers Property Australia has created stronger, smarter, happier neighbourhoods. We are one of Australia's leading diversified property groups and an Australian division of Frasers Property Limited.

We develop residential land, housing, and apartments and have delivered over 140,000 homes during our legacy; and develop build-to-rent, commercial, retail and mixed-use properties. Our activities also encompass the ownership and management of investment property, incorporating property and asset management services.

We work sustainably to ensure the places we create leave a positive environmental legacy and enhance the way people live life together. Frasers Property in Australia has certified over 5.6 million square metres of Green Star space across our communities, and our commitment to reduce carbon has been approved by the global Science-Based Targets initiative. We are also certified by the Australian Government's Climate Active initiative. Frasers Property Australia owns Real Utilities, a licensed Australian energy retailer that owns and manages energy infrastructure within some of our communities with the mission to be greener, cheaper and simpler.

We value diversity and firmly believe that together, we're better. We employ over 500 people nationally and are recognised as an Employer of Choice for Gender Equality by the Australian Government's Workplace Gender Equality Agency.
