

Frasers Property appoints new NSW General Manager Operations John Dawson promoted to newly created role

SYDNEY, 14 JUNE 2022

Frasers Property Australia has appointed **John Dawson** to the newly created role of General Manager Operations NSW, effective immediately.

Mr Dawson will provide leadership and operational management to Frasers Property's Development Directors in New South Wales as well as the development management teams responsible for delivering the company's projects in the state.

Mr Dawson has played an instrumental role in several landmark Frasers Property projects over the years. In his prior role at Savills, he was involved in the delivery of Discovery Point and Centrale, before he joined the Frasers Property team permanently in mid-2017 as Senior Development Manager for the \$2.1 billion Midtown MacPark project.

Since 2020, as Development Director, he has been leading the Frasers Property team on the circa \$3 billion Central Place Sydney development, a joint venture between Frasers Property and Dexu.

Cameron Jackson, General Manager Development NSW, Frasers Property Australia, says: "This new role will elevate and enhance the capabilities of our teams in New South Wales as they are able to leverage John's broad skill set, extensive experience and deep understanding of all aspects of the development process and the property lifecycle.

"We are driven by our belief to create belonging in stronger, smarter, happier neighbourhoods and to do this, we prioritise the experience of our customers in delivering the best outcomes on our projects. John has the proven track record in achieving great outcomes on complex projects and is the ideal person to add value across our New South Wales business in this new role."

About Frasers Property Australia

Since 1924, Frasers Property Australia has created stronger, smarter, happier neighbourhoods. We are one of Australia's leading diversified property groups and an Australian division of Frasers Property Limited.

We develop residential land, housing, and apartments and have delivered over 145,000 homes during our legacy; and develop build-to-rent, commercial, retail and mixed-use properties. Our activities also encompass the ownership and management of investment property, incorporating property and asset management services.

We work sustainably to ensure the places we create leave a positive environmental legacy and enhance the way people live life together. Frasers Property in Australia has certified over 7.2 million square metres of Green Star space across our communities, and our commitment to reduce carbon has been approved by the global Science-Based Targets initiative. We are also certified by the Australian Government's Climate Active initiative. Frasers Property Australia owns Real Utilities, a licensed Australian energy retailer that owns and manages energy infrastructure within some of our communities with the mission to be greener, cheaper and simpler.

We value diversity and firmly believe that together, we're better. We employ over 500 people nationally and are recognised as an Employer of Choice for Gender Equality by the Australian Government's Workplace Gender Equality Agency.
