**Frasers Hospitality pays tribute to ‘Kindness Heroes’,
with One Thousand Nights Giveaway**

A #FraserCares initiative, ‘Remembering Kindness’ invites the public to thank everyday heroes for their acts of kindness and reward them with stays at more than 140 properties across 70 cities worldwide

Frasers Hospitality launches ‘Remembering Kindness’, a global campaign to share #OurThousandThanks.

Singapore, 15th December 2020 – Frasers Hospitality, a member of Frasers Property Group, has today launched ‘Remembering Kindness’, a global campaign offering more than 1,000 room nights to celebrate kindness within the community and recognise those who have gone above and beyond to help others in times of need.

PRESS RELEASE

Launched as part of the #FraserCares initiative, the campaign creates a platform for members of the public, from all walks of life, to come forward and share their stories of individuals – or ‘Kindness Heroes’ – who have done extraordinary acts, whether big or small, for the benefit of others.

Selected ‘Kindness Heroes’ will then have the opportunity to experience a two-nights’ complimentary stay at one of the Gold-Standard Fraser Collection of serviced and hotel residences, and boutique hotels in Asia, Australia, Europe, the Middle East and Africa.

“We have all heard and witnessed stories of kindness emerging amidst these challenging times. Providing a platform to document these stories, so that these can be shared, remembered, and celebrated, makes a powerful reminder to the different ways a single act of kindness can touch the lives of many others. This is just our little way to give back to the community, especially during this season of giving as we round off a difficult year,” said Mr Koh Teck Chuan, CEO of Frasers Hospitality.

Frasers Hospitality offers guests safe and hygienic serviced accommodation, hotel residences as well as boutique hotels. As part of the Group’s #FraserCares commitment, and in accordance with guidelines from the World Health Organization, globally certified levels of protocol are in place, in addition to a comprehensive cleaning and disinfection verification programme with globally recognised inspection and certification company SGS.
