

PRESS RELEASE

Strong Demand for the Initial Public Offering of Frasers Hospitality Trust

- **Public Offer of 45,454,000 Stapled Securities approximately 13.8 times subscribed**
- **Total Offering approximately 19.0 times subscribed**
- **Trading debut expected on Monday, 14 July 2014, at 2.00 p.m.**

Unless otherwise defined, all capitalised terms in this press release shall have the meanings ascribed to them in the prospectus dated 30 June 2014 (the "Prospectus") registered with the Monetary Authority of Singapore.

Singapore, 11 July 2014 – Frasers Hospitality Trust ("FHT"), a hospitality stapled group comprising Frasers Hospitality Real Estate Investment Trust ("FH-REIT") and Frasers Hospitality Business Trust ("FH-BT"), has successfully completed its initial public offering of 185,063,000 Stapled Securities (the "Offering")¹ with strong support from both retail and institutional investors.

Priced at S\$0.88 per Stapled Security (the "Offering Price"), the Offering comprised an international placement of 139,609,000 Stapled Securities (the "Placement Tranche") to investors, including institutional and other investors in Singapore², and an offering of 45,454,000 Stapled Securities to the public in Singapore (the "Public Offer").

At the close of the Public Offer at 12.00 noon on 10 July 2014, 19,916 valid applications for an aggregate of 628,025,000 Stapled Securities were received, with application monies amounting to approximately S\$552.7 million. This translates to the Public Offer being 13.8 times subscribed.

As previously announced, the indications of interest received for the Placement Tranche were valued at S\$2.5 billion, representing approximately 20.7 times of the Stapled Securities available for the Placement Tranche.

The total Offering, comprising the Placement Tranche and the Public Offer, was therefore approximately 19.0 times subscribed, having received total subscription valued at approximately S\$3.1 billion.

Combined with the commitments from the Cornerstone Investors, a total of 418,012,000 Stapled Securities were issued to raise gross proceeds of S\$367.9 million.

Ms Eu Chin Fen, Chief Executive Officer of the REIT Manager and the Trustee-Manager, said, "We are pleased with the overwhelming demand from both retail and institutional investors. The strong take-up reaffirms investors' confidence in FHT's strengths, which are supported by its quality initial portfolio and visible acquisition pipeline. We would like to thank everyone for their support, and will strive to deliver regular and stable distributions to all investors."

¹ Excluding the Over-Allotment Option.

² Includes 8,597,000 Stapled Securities that will be reserved for subscription by the directors, management, employees and business associates of FCL and the REIT Manager and persons who have contributed to the success of FHT.

Based on the Offering Price of S\$0.88 per Stapled Security, Stapled Securityholders can expect to receive distribution yields of 6.9%³ and 7.0%⁴ for the Forecast Period 2014 and the Projection Year 2015, respectively.

Trading of the Stapled Securities on the Main Board of Singapore Exchange Securities Trading Limited (the "SGX-ST") is expected to commence at 2.00 p.m. on Monday, 14 July 2014. Details on allotments and/or allocations will be published in The Business Times, as well as via SGXNET, with the announcement to be posted on the website of the SGX-ST: <http://www.sgx.com>, prior to the listing of the Stapled Securities on the Main Board of the SGX-ST.

DBS Bank Ltd. is the Sole Global Coordinator and Issue Manager for the Offering. DBS Bank Ltd., Morgan Stanley Asia (Singapore) Pte., Standard Chartered Securities (Singapore) Pte. Limited and United Overseas Bank Limited are the Joint Bookrunners and Underwriters for the Offering. Credit Suisse (Singapore) Limited and Maybank Kim Eng Securities Pte Ltd are the Co-Managers and Sub-Underwriters to the Offering.

– END –

³ The forecast yield for the Forecast Period 2014 is calculated on an annualised basis based on the Offering Price and the various assumptions set out in the Prospectus. Such yield will vary accordingly for investors who purchase Stapled Securities in the secondary market at a price different from the Offering Price.

⁴ The projected yield for the Projection Year 2015 is calculated based on the Offering Price and the various assumptions set out in the Prospectus. Such yield will vary accordingly for investors who purchase Stapled Securities in the secondary market at a price different from the Offering Price.
